Cheryl Mulberry has been a vibrant, integral part of our high school for five years. Whether she is teaching, coordinating class activities or coaching cheerleading squads, she encourages maximum achievement from each student. Through her instruction and tutoring she is very successful in helping students accomplish greater tasks than perhaps they thought possible.

She is not only a challenging teacher but also a Christ-like model for our students. She believes principles found in God's word and she applies them in

her own life consistently. Through her, students can see one who respects authority, one who honors her parents, one who believes in the power of prayer, one who is not a respecter of persons, and one who eagerly and earnestly seeks the Lord's will for her life.

Cheryl Mulberry is our respected co-worker and she is our friend. So it is with warmth, respect, and gratitude that we honor her by dedicating the 1988 "Patriot" to Cheryl Mulberry.

## CCA - FROM START TO FINISH

Kindergarten through twelfth grade in one school—thirteen years, what a blessing and privilege you have had! It takes courage—strength—determination to go thirteen years in school, but to spend 2,000 days in one school is an accomplishment.

Each day, week, month, semester, and year was reached one step at a time. Sure, some steps may have been harder than others, but as Christians, you knew Jesus Christ was your strength. Your parents and families have encouraged you, reminded you (of assignments/commitments), sacrificed for you, prayed for you, and most of all loved you through these thirteen years.

Who was more determined that you learn those dates, principles, and skills than your teachers were? Oh, yes, there were probably times when you thought you would never understand, but with their help you did. You have had the best teachers because the Lord brought each one to CCS, and each has had a place in your education. Your foundation in academics, music, sports, communication skills, character building skills, and service is tremendous.

A year before Carroll Christian began, a group from the Church of the Open Door visited a Christian school. Every room and hallway projected God's love through art, writing examples, and projects displayed with Bible verses and character building statements. I kept thinking, "Lord, what have I been missing in my years of teaching?" It was at that time I knew our church must have a Christian school. (Really, it was the feeling of that entire group that night.) God did give us a Christian school, and that is why I get a blessing when I see that same environment, which also enhances materials taught by our teachers. You have learned to follow Jesus Christ, not just people, and to be accountable to God, not just to mankind.

During the last couple years, former students who came to CCS for a year or two have related that they want their children to attend our school also. My first thought is that even one or two years are important, but you have had the benefit of thirteen years.

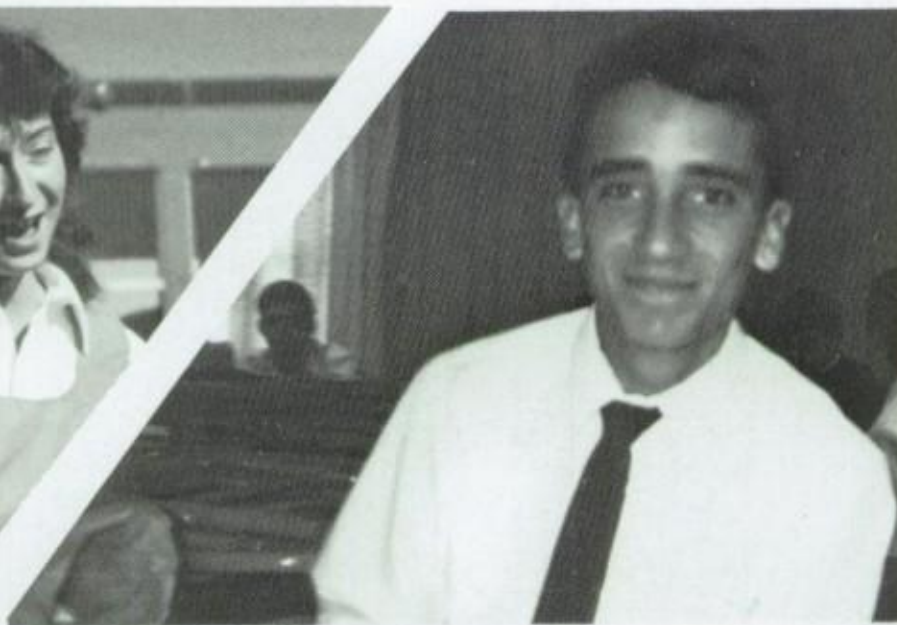

As you take your next step which will be college (Lord willing), you will continue building on what you have learned so far. Your courage, strength, and determination will be even more important in many new areas. Apply the skills and knowledge you have learned.

Dianne, Mark, and Michael, God has given you the world. Let Him guide you in building your life to serve Him. "Be strong and of good courage; be not afraid, neither be thou dismayed, for the Lord thy God is with you whithersoever you go." (Joshua 1:19) Remember "Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding" and "A wise man (woman) will hear, and will increase learning; and a man (woman) of understanding shall attain unto wise counsels." (Proverbs 4:7; 1:5)

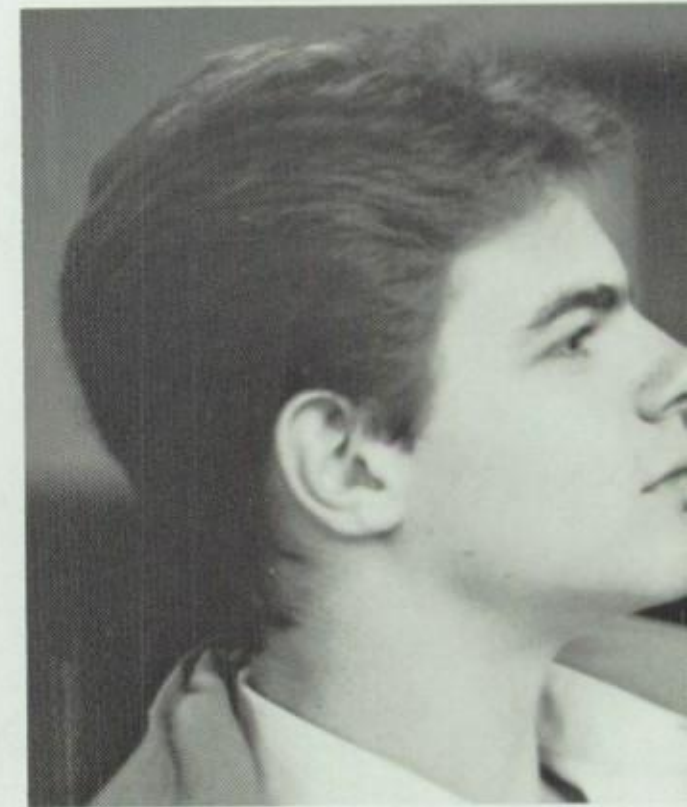

CONGRATULATIONS to you three for your thirteen years at CCS!

# UNDERCLASSMEN

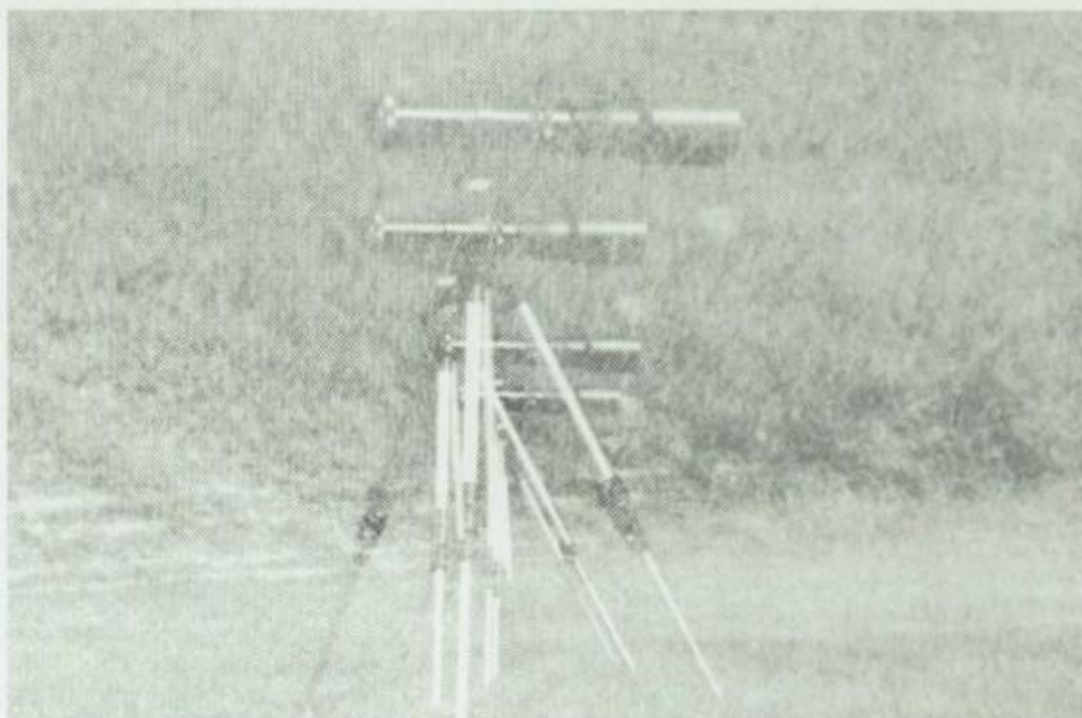

Skating is a big part of my life, but I feel that if I didn't have my faith in the Lord, I wouldn't be as successful as I am. I've been skating since I was six and competing since I was ten. In 1987 I held the Pre-Regional figure title, compulsory dance title and my partner, Marty Glass, and I were the Pennsylvania State Champions. This title led us to the U.S. Championships in Lincoln, Nebraska. This year (1988) my partner and I again hold the Pennsylvania State Title and we are hoping to skate in the U.S. Championships again. If we would be blessed with winning this title, we could go on to skate in the World Championships. By winning these titles we will be able to see many foreign countries. I plan to eventually skate professionally.

Melissa Stull

## SPECIAL INTERESTS OF OUR STUDENTS

My hobby is photography. I like it because I must be creative to be good. A picture taken with a starburst filter lens can transform a car lot into a shimmering pool of jewels. I simply cannot take pictures when I look for them. By keeping my camera handy I am able to "catch" that perfect picture. As of now I am working with a Pentax K-1000, a 50 mm focus lens, 500mm zoom lens, two tripods, flash, and other vital pieces of equipment. In the future I plan to begin developing the pictures I take myself and eventually become a free-lance photographer.

Jonathon Taylor

In November of 1984, I went with a group of about 80 people on a 2 week tour of Israel. We traveled around the countryside seeing Jerusalem, Bethany, Bethlehem, Jordan and many other Biblical sights. We saw the place where Jesus was believed to have been born and where he died. This trip to the Holy Land brought me closer to God and to know his love for me. I have also been to Gambia, West Africa on a missionary trip and am now planning another trip to Madagascar in September of this year.

# ADMINISTRATION

## FIFTEENTH YEAR COMPLETE

With thanksgiving and rejoicing we come to the completion of our fifteenth full year at Carroll Christian Schools. From a meager beginning with thirty-four students in September 13, 1973, CCS has become a viable educational alternative with a well-established reputation.

## THANKS TO THE PIONEERS

We all owe a real debt of thanks to the people who pioneered the origination of our school. We must say thanks to Pastor Homer Boese, Dr. Aleatha Carlson (First Principal) and to Roy Shumaker, Howard Alsop, Aaron Hersberger, John Whitfield, and Danny Illari (the first school board). Then we must say thanks to the hundreds of families who have trusted us with their students.

## THE FIFTEEN YEARS INTO THE FUTURE

The next fifteen years appear to hold even greater promise than the last. Plans to continue moving forward in every area related to our educational program are being considered fully. The future looks bright.

## CONGRATULATIONS TO GRADS OF '88

We are pleased to present our outstanding Class of 1988. With much enthusiasm we offer congratulations to them and best wishes for their future. May God in heaven send you His choicest blessings is our prayer for you.

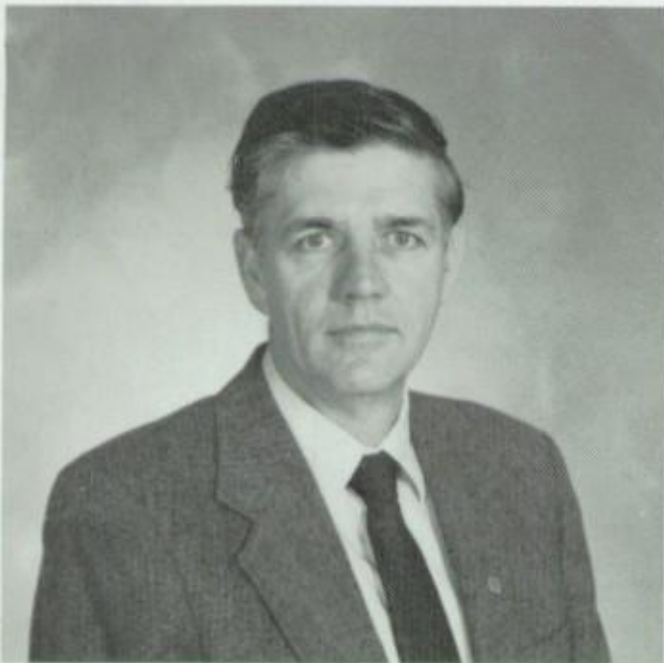

## THE CAMPUS - A YOUTHFUL BEEHIVE

Everyday our campus is a beehive of activity. Boys and girls in every room under the direction of a qualified Christian teacher are busy at the business of education. When school is not in session, the building seems stark, empty, and without life. The children bring it to life. We are thankful we can have a Christian alter native, a youthful beehive, such as Carroll Christian Schools.

# VARSITY BASKETBALL

Although the crowd jokes, the team has its sights set on another victory.

The Varsity Patriots have had an exciting and impressive basketball season! We came up against some tough competitors, and ended the season with a 15-7 record, having won all our home games. Three of the seven losses on the road were close, with the Patriots losing one game by two points, and losing two others in overtime. Even though the VCC Tournaments didn't yield us a victory, we placed third in the State MACS Tournament. We emphasized Hustle, and used Psalm 119:165 as a basis for our attitudes. As coach, I'm proud of each member of the team, and the seniors have shown great leadership this year. Thanks for making my first year of coaching a great one!

- Coach Dave Hansen

# LADIES SOFTBALL

It all started when they asked me to coach softball for the 1988 season. I was young and eager, just out of school, and I didn't know any better. However, as the season progressed I grew to understand and, yes, even like coaching these crazy, unpredictable girls. What further enhanced this unique relationship was the girls' intense desire to be winners. After practice was over I would have girls still wanting me to hit them balls. Every week I could see them improving in all aspects of their game. By the time the championship game was to be played we were a bruised and battered bunch. During the second inning, things fell apart on us. By the time the dust cleared it was 8 to 1 for the other team. I called everyone together and simply said that it would be very foolish to lose this game after such a great year. That seemed to do the trick, we got 8 hits and drove in 6 runs. We held their bats to one hit in the 3rd with some great pitching from Amy Dillon and a throw out to second from Dianne Fritz, our flamethrowing back catcher. After that it was all downhill. We ended with 1st place in V.C.C. That game sums up the entire year. It shows our determination and mental toughness when the game is on the line. This coach doesn't need great athletes. All he needs is a lot of hustle and heart. Thank you softball team of 1988. Hold your head high. You've brought home the first banner in the school's history.

12th Grade Rep. Beth Manuel

12th Grade Rep. Sherri Stem

After we returned from Christmas break, Spirit Week 1988 began. This week was an exciting time for everyone. The week started with Backwards Day. We then enjoyed the following days: Twin Day, Give Away Day, Clash Day, and Red, White, and Blue Day. Thursday was a sad day for the Seniors who became "SERFS" for a day. Spirit Week was extended into the following week due to a snow day on Friday.

In addition to the dress up days, each class made a cake, decorated a bulletin board, and developed a cheer. This year's winner of the Spirit Award, for the second year in a row, was the Senior class. The Sophomores came in second place and the Juniors came in third.

The finale of the week's activities was the crowning of the Homecoming Queen during halftime of the boy's varsity basketball game against Martinsburg. A record crowd was on hand to watch as Beth Manuel was crowned the 1988 CCS Homecoming Queen.

# NATIONAL HONOR SOCIETY

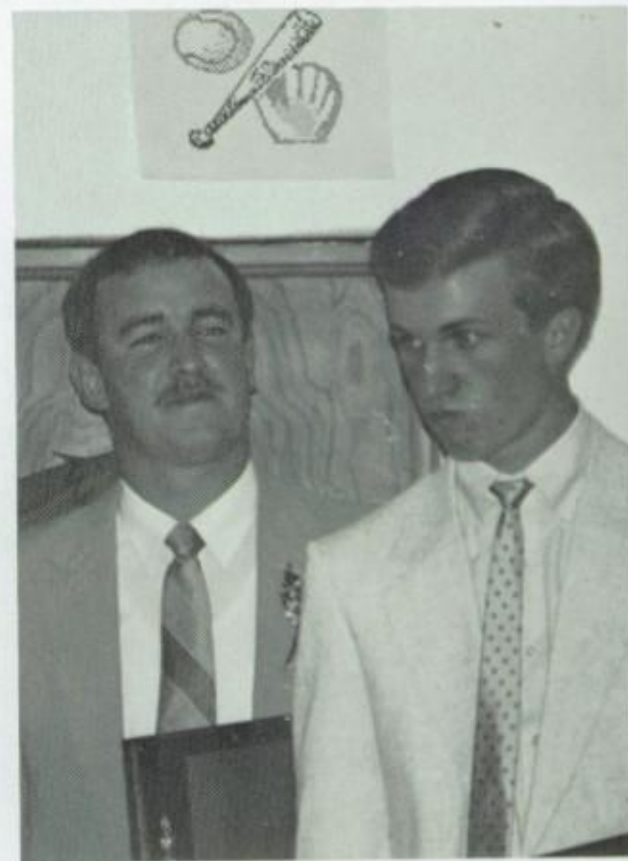

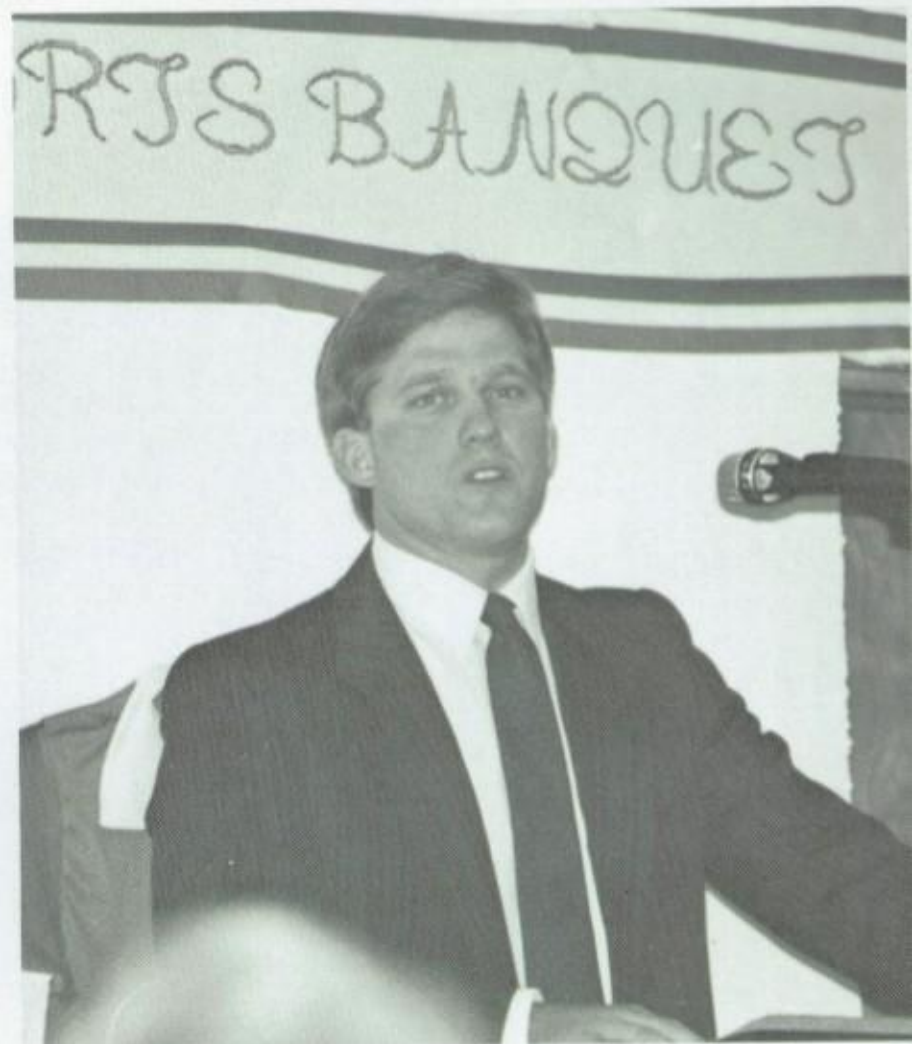

Current Members (l-r): Kerry Rill, Becky Gibbons, Emily Gibbons, Krista Flint, Buddy Davis, Brian Goodwin, Kim Millender, Danielle Stone, Kellie Flint, Sherri Stern, Mike Goodwin, Mark Crago, and Steve Markle.

Induction into the Honor Society is based on four qualities dealing with the student: character, leadership, scholarship, and service. A student's character should be God-fearing, obedient and respectful to authority. A student should profess Christ and desire to do right. Leadership is leading through the right conduct, speaking out against wrong, and accepting responsibility. A student's service should be the display of willingness to help others through volunteer work. Students need to be self-sacrificing, but able to fulfill their own responsibilities while helping others. The last quality is scholarship. Each student must maintain an average of ninety percent or above. Honor Society members must exhibit all four qualities to be considered for membership.

# LA FIESTA

On April 11, 1988, Spanish I and II presented the Parent Teacher Fellowship with a Spanish Fiesta. Several students participated by reciting poetry, reading scripture, and presenting a skit. All the students participated in a chorus that sang several songs. A solo and musical number were also presented that night.

The various committees did a fabulous job with the decorations, food, program, and costumes. Every student contributed to make the evening a fun and memorable one!
